

Your New Mental Health Benefit: Introducing TPN.health

You now have access to mental health benefits through TPN.health! They're here to help you find the right therapist, faster.

Getting started is simple:

- Send a text to 405-913-4646.
- Within 10 minutes, a live, licensed Care Navigator will reply.
- They'll ask about your preferences, listen to your needs, and personally match you with a licensed, in-network therapist who's accepting new clients within a week.

With therapists in all 50 states at every level of care, TPN.health makes it easier to get the help you need, when you need it.

Save 405-913-4646 to your contacts and reach out whenever you're ready.
